From the Principal's Desk

In all studies here at KVCS we seek to learn beyond the initial level of mere factual information. Learning about how specific aspects of History, Math or Science are related and how timeless principles are integrally woven into each area of study, helps us more intimately understand and know the truth of any subject.

Jesus said, "If you abide in My word, you are My disciples indeed. And you shall know the truth, and the truth shall make you free. Therefore if the Son makes you free, you shall be free indeed." John 8:31-32 & 36.

To abide in Christ's words means to reside, to continue, to endure and remain faithful. Our daily pursuit at KVCS, is to discover and apply the spiritual truths that are learned through daily study into the Word of God. By bringing all academic disciplines into the light of the truth found in God's Word, we gain personal and academic freedom.
