Welcome to Kootenai Valley Christian School!

Thank you for your interest in KVCS. Our purpose is to provide an inter-denominational Christian center for academic excellence, to provide a community to model godly lives and principles before the students, and to assist families and churches in challenging the students to grow and mature into Christ-centered people.

Admission to KVCS is open to all and will not be denied on the basis of race, color, national, or ethnic origin.

Enclosed in this Pre-K - 6th Grade packet are materials to assist you in becoming acquainted with KVCS and assist you in the enrollment process. Included are the following:

- Statement of Faith and our School Philosophy
- Tuition and fees schedule
- Student application. (Please be sure to fill out both sides.)
- Enrollment Contract
- Commitment Agreement
- Consent to Treat
- Internet Usage and Google Student Account Permission
- Photo Permission Slip

The first step in the registration process is to complete the Student Application and Enrollment Forms and return them to the school. Then an appointment for a family interview will be made. Scholarships are available for qualifying families at online.facts.mgt.com with a \$40 application fee.

Our prayer is that KVCS will be an extension of the teaching which you have begun at home. May God be glorified as we work together preparing your child to become a young boy or girl whose life is committed to Jesus through the rest of his/her days.

Kind regards,

The Board of KVCS

Statement of Faith

We believe the Bible to be the inspired, the only infallible, authoritative Word of God.

We believe that there is one God, eternally existent in three persons: Father, Son and Holy Spirit.

We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.

We believe that for the salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential. That salvation is solely by Grace, through faith, totally apart from works.

We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life.

We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.

We believe in the spiritual unity of believers in our Lord Jesus Christ.

Statement of Doctrine

The school views itself as an indispensable part of the three major forces on the life of each child: the home, the school and the church. The school intends to be an extension of the home and, therefore, a responsive listener to the home. It intends to be cooperative with the churches represented among the student body and supportive of activities within the tenants of the Statement of Faith. The Statement of Faith is fundamental to basic Christian tenants and contains those doctrines to which we unreservedly adhere and teach. It is our desire to maintain this position. Due to our inter-denominational position and our awareness that the Church, the bride of Christ, is composed of saints from all denominations, we desire to have a doctrinal position that will not offend that Body, but will rather edify regardless of denominational preference. Therefore, the Board has seen that the following four doctrinal areas could lead to division among us and they will be left primarily to the teaching of the home and church, though Kootenai Valley Christian School reserves the right to teach about these topics without taking a position:

- Time and method of water baptism and communion
- Eternal security of the believer
- End times teaching
- Spiritual gifts

Statement on the Sanctity of Human Life

We believe that all human life is sacred and created by God in His image. Human life is of inestimable worth in all its dimensions, including pre-born babies, the aged, the physically or mentally challenged, and every other stage or condition from conception through natural death. We are therefore called to defend, protect, and value all human life (Psalm 139).

Statement on Same Sex Marriage

Because there is long-standing Biblical evidence that a homosexual lifestyle is perverse and destructive to individuals and to society, Kootenai Valley Christian School is committed to Biblical holiness and holds in high regard Scriptural injunctions related to homosexuality. KVCS cannot accept, endorse, or condone homosexual behavior. We believe that God ordained marriage between one man and one woman.

We seek to express love, compassion, and concern for those who struggle with sexual identity, or homosexual orientation, and to support a chaste relationship in Christ. KVCS will demonstrate love toward all people and we will urge all to seek the grace of God and Biblical counsel. KVCS affirms our conviction that based on the Biblical standard we believe homosexual behavior is sin. KVCS stands firmly opposed to the licensing, ordination, or approving for leadership of those who are involved in this lifestyle. KVCS supports instruction which brings understanding to issues related to homosexuality, but opposes instruction which endorses or promotes homosexual behavior as an acceptable, alternate or Christian lifestyle.

Philosophy

We believe that children should receive a complete course of instruction in all the common branches of learning as prescribed by the State of Montana, but that such instruction should be given from a Biblical point of view.

We believe that children can and should be taught to treat others with love and respect.

We believe in maintaining high standards of character development, academic education, fine art, vocational and student activities.

The opposite of Christ-centered education is man-centered education or humanism - declaring man, instead of God, as the authority for truth. We lift up Christ and the Bible as the ultimate authority for truth.

Goals

To provide Biblical training that will tend to teach the basic and general Christian beliefs and principles while leaving specific teaching, outworking, and areas of disagreement to parents and churches.

To provide a strong academic program that satisfies state academic requirements and prepares young people to live successfully in this world. This will be based on a Biblical educational philosophy, not a human one. Students will be given a strong background in the basics of reading, language, mathematics, science and history.

To instill patriotism, love of country and conservative ideals which have made our country great.

To provide godly Christian teachers who will be role models for the students they teach.

To develop in the child Christ-likeness in the following areas as an outgrowth of the development of the Christian mind set: (consistent life view with Christ pre-eminent)

- Spiritually - teach the basis of successful Christian living based on faith in Jesus Christ, knowledge of God's Word, development of godly character traits, and maturing in the Christian walk (II Thessalonians 3:3).
- Mentally - develop a Biblical way of thinking that places Christ preeminent in all of life, stressing that all of life is spiritual (Philippians 2:5).
- Physically - our body is the vehicle given to us by God in which we live our lives to bring glory to God. Therefore, we need to learn to care for and develop it so that we may serve God to the fullest (II Corinthians 6:16).
- Socially - to learn to develop Biblical human relationships in which we serve people not use them (Matthew 20:25-28).
- Emotionally - develop a stable personality which is based on one's self worth in "God's sight" and that emphasizes self-control and the fruits of the Spirit (Galatians 5:21,22).

Academically, the school endeavors

To promote high academic standards within the potential of the individual as uniquely created by God and to help the student realize his full academic potential.

To help each student gain a thorough comprehension and command of the fundamental processes used in communicating and dealing with others; such as reading, writing, speaking, listening, and mathematics.

To teach and encourage the use of good study habits.

To teach the student how to do independent research and to reason logically.

To motivate the student to pursue independent study in areas of personal interest.

To develop creative and critical thinking and the proper use of Biblical criteria for evaluation.

To promote good citizenship through developing the understanding and appreciation of our Christian and American heritages of responsible freedom, human dignity, and acceptance of authority.

To discuss current affairs in all fields and relate them to God's plan for man.

To produce an understanding and appreciation for God's world, and an awareness of man's role in his environment and his God-given responsibilities to use and preserve them properly.

To develop a practical reason for learning the content of mathematics, English, history, science, physical education, etc., and to allow the student to see a purpose in his/her education and how it can be used.

Enrollment Contract

Please be advised of the following policies:

- Current tuition and fee rates are published each spring at re-enrollment time.
- Each parent is furnished with an enrollment contract at the start of the school year. This provides tuition payments pro-rated on a ten-month pay schedule.
- Tuition payments begin on September 1st of each school year. Payments are due on the first business day of each month, **September 1st through May 1st**. Any payments not received by the 10th of the month will be considered past due and assessed a late fee of \$10.00 per month. If it is not possible that payment be made at that time, it is the responsibility of the parents to notify the school board in writing or by phone and work out an agreeable arrangement. If your account becomes past due two payments, we will allow you 10 days to clear your account. If it is not cleared, your child(ren) will be withdrawn from school. A 5% discount will be given if yearly tuition is made as a one-time payment, in full, before the start of each school year.
- All registration and supply fees are to be paid in full before your child begins school.
- No tuition or registration fee refunds will be given unless conditions warrant such consideration and are pre-approved by the board.
- New students enrolling at mid-term will pay the full registration fee and the supply fees will be pro-rated. Tuition payments may be adjusted as necessary, depending on the date of enrollment.
- Because our budget is dependent upon student commitment, a \$100.00 withdrawal fee is due for students who are withdrawn prior to the end of the school year.
- Each family is required to contribute 18 service hours, per quarter at the school. They may be per job or per hour, depending on the area you are serving. If unable to serve in this way, a \$50.00 quarterly fee must be paid to the school at the start of each quarter.
- If a family falls behind in payments by one full semester, the student(s) will be released from KVCS.
- ALL donations received for scholarship, whether for a specific student or general scholarship, are not eligible for a refund and will be used for scholarships at the discretion of the Board in the event a specific scholarship student exits the school.
