IMPORTANT INFORMATION REGARDING 2025-2026 ENROLLMENT AND TUITION CHANGES

KVCS Families,

As we look ahead to the 2025-2026 school year, we want to inform you of some necessary adjustments to our enrollment fees and tuition rates. We want to assure you that KVCS remains deeply committed to providing a Christ-centered education at an affordable price. These adjustments are primarily driven by the rising cost of operations. We continue to work diligently to minimize the impact of these increases on our families.

We will be combining the current supply and enrollment/application fee into a yearly enrollment fee. This fee will be due by June 1st, 2025. Please note that failure to pay the enrollment fee by June 1st, 2025 could result in the loss of your student's spot at KVCS. There will also be a small tuition rate increase for the 2025-2026 school year.

We believe that the value of a KVCS education continues to be an excellent investment in your child's future. We pray for your support & understanding as we implement these changes. Please feel free to reach out with any questions or concerns.
